the redesigned iconic suv

The New Renault Duster continues its success story and increases its versatility with its iconic design and its excellent off-road capabilities. Its Starkle® side protectors and wheel arches showcase its powerful SUV nature. Bursting with practicality for all your adventures, the New Duster comes with modular roof bars.

The rear adopts a powerful style centered around the new Renault emblem, a strong message with the new Renault logo showing off style. Its assertive light signature and roof spoiler underline its dynamic character.

Embark on an adventure beyond the ordinary with the new Renault Duster. Designed with sustainability in mind, it features mudguards and side guards made largely from recycled materials. Duster reveals its true SUV personality.

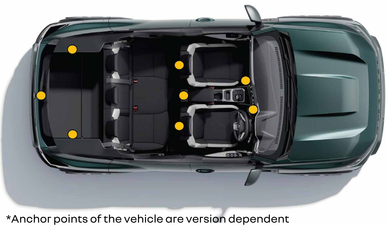
new interior experience

The completely redesigned interior of the new Renault Duster offers a spacious environment for both driver and passengers. Enhanced with smart technologies, it ensures a comfortable and enjoyable experience on every journey. The driver-oriented high centre console and e-shifter gear lever with EDC transmission are designed to put everything you need at your fingertips.

For the interior, Renault has focused on ergonomics, design, and your well-being on board.
The driver has a carefully oriented 10.1 openR multimedia display for easy access. The 7" digital instrument cluster keeps driving information conveniently in sight.
The new steering wheel design makes driving more comfortable.
In terms of styling, the new Y-shaped headlight graphics are seen on the door panels as well as air vents.

With the new YouClip attachment systems, designed to organise your interior with a wide variety of accessories developed for the YouClip range. These can be easily clipped on the 4 - 8* anchor points, which are distributed throughout well-chosen places in the car including the boot.



*Anchor points of the vehicle are version dependent

For even more comfort, a stunning YouClip 3-in-1 accessory combines a cup holder, lamp and hook, which can be detached and used together or separately, the items you use most you can make your access easier.

Renault Care

we strive to provide you with the highest level of after sales service so you can continue to enjoy your Renault ownership journey.

5 Year / 150 000km Warranty
peace-of-mind comes standard

The Renault Warranty comes standard with every new vehicle, covering the costs of repair of any unexpected electronic or mechanical malfunctions, for a period of up to 5 years / 150 000km, whichever comes first.

Refer to the warranty booklet

Service / Maintenance Plans
standard or tailor-made options are available to suit your needs

Each Duster comes standard with an optional 3 year / 45 000km Service Plan. A Service Plan is a cost-effective way to cover your Renault's scheduled service programme, giving you peace of mind for the duration of the Service Plan.

Purchase or upgrade your existing Service Plan to a comprehensive Maintenance Plan that not only covers the cost of your Renault scheduled service programme, but also covers the replacement, maintenance or repair of specific wear-and-tear items*.

The key benefits of a Renault Service Plan or Comprehensive Maintenance Plan are:

1. added value
Service and Maintenance Plans are costed at preferential rates as well as offering protection from inflationary increases for the duration of the plan.

2. full peace of mind
Only genuine parts are used.

3. Renault expertise
Renault qualified technical personnel will attend to your vehicle.

4. protect your warranty
All workmanship and parts warranted by Renault.

5. cost of wear & tear items covered (Maintenance Plan only)
Items covered: Clutch, exhaust, globes & fuses, shock absorbers, drive belts, battery, wiper blades, brakes.

Parts availability

Renault ranks amongst South Africa's motor industry leaders in affordable parts pricing. We strive to ensure an excellent level of parts availability at our Renault Dealerships.
