NISSAN

X-TRAIL

All-New Nissan X-Trail: fit in more family adventure

Introducing Nissan's latest family adventure crossover, powered by the spirited 2.5 petrol powertrain for invigorating performance & improved efficiency.

All-New Nissan X-Trail is a spacious crossover with up to seven seats*, and everything you need to keep your family safe and comfortable with advanced Nissan's safety technologies.

With cutting-edge connectivity* to keep everyone entertained, the All-New Nissan X-Trail shows that family-friendly trailblazing is possible.

**Feature available depending on version, as standard or only as option (at an extra charge).*

Never compromise on style, in the All-New Nissan X-Trail

Get noticed wherever you go with sleek LED headlights, distinctive and imposing front air vents and robust, yet crafted lines. Up front, the unmistakable V-motion grille bears the familiar signature of Nissan's exciting design DNA, to show that this family crossover refuses to blend into the background.

The X-Trail's aerodynamic design provides it with more dynamic performance, and the body, which is made from Ultra-high-strength steel and Aluminum, which gives the car a high-rigidity and super-lightweight body.

Close the door on the chaos outside

Enjoy advanced Nissan Driver Assistance* and HD navigation* displayed right in your view as you settle into your comfortable, ergonomically designed seat. Wondering where to place your belongings? Don't miss the storage space beneath the floating central console. Inside the X-Trail's cabin, it's all about quality details –the relaxing atmosphere of ambient lighting*, the soft feel of premium materials and the seamless convenience of wireless charging** for your smartphone.

Wireless Charger**

Ambient lighting*

12.3" Fully digital meter*
10.8" Windscreen Head-up display*

12.3" HD NissanConnect display*

Navigation*

Driving Aids*

** Features available depending on version, as standard or only as option (at an extra charge).*

*** Designed to the Qi charging standard & optimised for Qi certified devices. For non-QI certified devices, wireless charging performance can be limited.*

Reinvent your all-wheel drive experience

Playgrounds are not meant to have boundaries. Take on new terrains in confidence with Nissan's unique all-wheel drive technology, now available on X-Trail. Nissan X-Trail delivers the perfect balance between powerful and unprecedented control, with a smooth ride for all family thanks to superior handling on any surface. Tailor your drive even further with 5 selectable Drive Modes, including Normal, Sport, Eco, Off-road and Snow Mode for unmatched levels of comfort.

4x4 Drive mode wheel switch*

Feature available depending on version, as standard or only as option (at an extra charge).

Safety First is Second Nature

The All-New Nissan X-Trail is equipped with advanced ProPILOT* with Navi-link safety technologies designed to read the road ahead and adjust your drive accordingly, keeping you and your family safe for maximum peace of mind.

And thanks to Around View Monitor**, all-round reassurance comes from a 360° view of your car with selectable focus on front, rear and kerbside views.

*** Feature available depending on version, as standard or only as option (at an extra charge).*

INTELLIGENT CRUISE CONTROL keeps your distance. It measures the distance from the vehicle ahead, controlling acceleration and deceleration to automatically maintain a suitable following distance within your set speed.

PREDICTIVE COLLISION WARNING keeps aneye up to two vehicles in front of you. When the system detects a sudden deceleration ahead, it gives you an audible and visual warning to slow down.

EMERGENCY LANE KEEPING A full suite of technologies to help you avoid unintentional lane departure. Keeps you centered in the lane either by steering wheel action or braking in an emergency situation.

FORWARD EMERGENCY BRAKE Monitors the surrounding area in front of the car for vehicles and pedestrians, helping avoid or reduce damage caused by collisions.

Discover the details that make a difference

Family adventures feel so comfortable with design details that make your journeys smoother. USB ports* in the front and 2nd row to keep everyone's devices fully charged. When it comes to loading, enjoy up to 16 configurations with adaptable luggage boards* and 60:40 sliding 2nd row to personalise your load space even further and ensure easy access to 3rd row, having also the synthetic leather seats as an option gives it more practicality and makes it more convenient for the family's activities.

Floating centre console

Butterfly opening central console

USB ports in the 2nd row*

3-zone air conditioning*

Isofix fixing

*Feature available depending on version, as standard or only as option (at an extra charge).
