THE FINISHING TOUCHES

From eye-catching exterior upgrades to purposeful and practical interior options, Nissan Approved Accessories allow you to express yourself in enviable refinement.

HOOD DEFLECTOR

Genuine Nissan Hood Deflector deflects airflow over the hood to help keep dirt, insects, and road debris from damaging your X-Trail.

SIDE WINDOW DEFLECTOR

Stylish, Genuine Nissan Side-Window Deflectors help to fight glare and reduce wind noise within your X-Trail.

SIDE STEP KIT (LH / RH SIDE)

Complete that SUV look by adding side steps specifically made to assist in vehicle entry and exit.

ALL SEASON FLOOR MAT

These all-weather heavy duty mats will protect your vehicle from mud and dirt, at the same time enhancing premiumness and comfort of your X-Trail.

Legal Notice
Every effort has been made to ensure that the content of this brochure is correct at the time of going to print. This brochure has been produced featuring prototype or accessorised vehicles exhibited at motor shows and, in accordance with the company's policy of continuously improving its products, Nissan South Africa reserves the right to change the specification and the vehicles described and shown in this brochure at any time. Nissan Dealers will be informed of any such modifications as quickly as possible. Please check with your local Nissan Dealer to receive the most up-to-date information. Due to the limitations of the printing processes used, the colours shown in this brochure may differ slightly from the actual colours of the paint and interior trim materials used. All rights reserved. Reproduction in whole or part of this brochure without the written permission from Nissan is forbidden. Quoted fuel consumption and emission values have been established using the prescribed method of measurement (United Nations Economic Commission for Europe "ECE" Regulation R101 in the current version) as required under current legislation. This data does not pertain to the specific vehicle and does not comprise part of the offer, but is supplied for the purpose of comparison between the various types of vehicles, in accordance with 1999/94/EC. Driving behaviour / conditions and other non-technical factors contribute towards a vehicle's fuel consumption and CO_2 emissions over and above the determined fuel efficiency of a vehicle.

NISSAN INTELLIGENT MOBILITY

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving us to a world that's safer, more sustainable, and exciting.
